

**FOREIGN TRADE AND ORGANISATION SERVICES
COMPANY LIMITED**

ABOUT US

Our company was established with the experience we have gained in the group companies since 1994, mainly imports and exports chemicals, ferro alloys, special purpose papers and labels.

OUR MISSION

To provide the best service to our suppliers with our close relationship and our competitive prices. We see the quality of the products that we supply and the speed of our delivery time as our strongest part.

OUR VISION

Our aim is to be one of the reliable and leading companies of this sector for many years and not compromising our sincerity while on the road.
